### Clinic Hours

Monday - Friday: 8:30am - 5:00pm

### Parking

Ample parking available for patients onsite

## → Examination Preparations

### X-Ray / Dental Imaging

X-rays do not require any special preparation. Metal objects such as watches, keys, coins and jewellery will show up on the x-ray affecting the images and therefore may need to be removed.

### Ultrasound

For upper abdomen studies (such as liver, spleen, gallbladder, and pancreas):

- do not eat, drink or smoke for 6 hours before your appointment. Continue to take any medication.

For lower abdomen studies (such as pelvis, pregnancy, kidney and prostate):

- you must have a full bladder at the time of the appointment. Empty your bladder 1½ hours before your appointment and then drink 1 litre of water, finishing 1 hour before your appointment time. **Do not empty your bladder after this.**

Generally, you will be most comfortable if you wear loose fitting clothing. You will need to remove clothing and jewellery in the area to be examined and will be provided with a gown to wear.

### CT Scan

For CT Brain / Neck / Chest / Abdomen / Pelvis.

- Nothing to eat 2 hours prior to examination, Stay hydrated.

WE ONLY USE ULTRA LOW-DOSE CT AT LIGHT RADIOLOGY

## → Services offered:
